

Trapped NPL Boy's Player's (2010's) playing with 2011's for the Fall 2024 season.

A "Trapped Player" is an 8th grader who is a member of a U15 team, which typically consists of 9th graders. For the upcoming 2024/2025 season, this would be an 8th grade boy who has a 2010 birth year.

This pertains to 8th grade boys that are 2010's born between September 1st, 2010, to December 31st, 2010.

The player is called a "trapped" player because U15 club teams do not have a typical fall season; thus, they are "trapped" on a team that starts in November.

A maximum of five 2010 "trapped players" can be rostered on a 2011 NPL roster. The 2010 players must be on the 2 rosters submitted at the NPL Match.

This only applies to the NISL league play.

This does NOT APPLY to the Spring 2025 boy's season
