

N.I.S.L. CLUB GUIDE - SCHEDULING GAMES

File Edit Admin Communicas Members Registration Rep

Game scheduling with Bonzi in 2016 has gotten even simpler. Updates to the process include:

- More prominent access
- Away games are now displayed
- More club & league communication tools

Take some time and look this brief document outlining those updates.

1. Select Leagues tab

3. Click the Open Collaborative Scheduling button

2. Select league from folder tree

Open Collaborative Scheduling

Collaborative scheduling is enabled by your league. This will allow you to set the time and location for games assigned to your approved teams.

League Contact:

League Host:

Eligible Age Groups / Genders:

Invited Clubs:

The Collaborative Scheduling window will open and all Home games will be displayed

You can use the top filter area to drilldown your view

4. Select the Time you want to play the particular game

5. Select the location you wish to play the game

Click to download a copy of the schedule or email league admin

Away games are displayed but not updateable

6. Click Submit to save your updates

Click to email league admin about specific game

Click to email team contact and/or club admin for both home & away teams

Collaborative Scheduling

Collaborative scheduling is enabled by your league. This will allow you to set the time and location for games assigned to your approved teams.
